

KNOW  
HUB

# Second Handbook

On Effective  
policy mix and instruments  
for Smart Specialisation

**ARII - PACA**

[www.know-hub.eu](http://www.know-hub.eu)

# Objectives

- From the design of the strategies...to their implementation
- From the first handbook on identification of challenges over the **6 steps process** for smart specialisation  
... to the second handbook **focused on the “policy mix”** definition stage

- How to **achieve the objectives** set up in the regional innovation strategies?
- Which **portfolio of instruments** are most effective to fulfil the objectives set?

# Elaboration process

- Nourished by the Mutual Learning Workshops, through:
  - Identification of the major **issues** linked to the policy mix definition
  - Exchanges on **good practices and experiences** among partners
  - **Support of experts in policy mix** in order to improve knowledge, capacities and practical skills for the effective policy implementation

- Provides some **hints and guidelines** to define and establish suitable regional policy mixes to implement RIS3

# How the second handbook can feed your innovation policy?

- It focuses on multiple nature of questions/problems that arise at the definition and implementation of policy instruments
  - Related to **process**
  - Related to **effective measures to achieve the strategy goals**

# Content

- 1 - Policy mix in the smart specialisation process
- 2 - Challenges in governing the RIS3 policy mix
- 3 - Establishment of suitable regional policy mix with regards to policy implementation

# Articles ...

- To go deeper → Articles presented along the handbook content written by experts within the framework of the project
- To go further → More articles published on the website of the project : [www.know-hub.eu](http://www.know-hub.eu)
